London North Studios

A unique, flexible space

London North Studios is located within the quiet and sought-after area of London North in Mill Hill just 5 minutes from the M1 Junction 2, an 8 minute drive from the North Circular and a 10 minute walk to the Northern line.

A truly unique location in London, with multiple studio and event spaces that can cater for small scale productions all the way through to feature films. Customise it to meet your needs and budget.

The building has multiple vehicle access points throughout with ample parking spaces for cars and a further large parking area for winniebagoes, articulated trucks and action vehicles. There is also an underground car park to accommodate smaller vehicles. The site covers nearly 5 acres and includes its own private woodland.

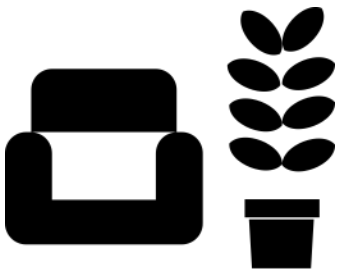

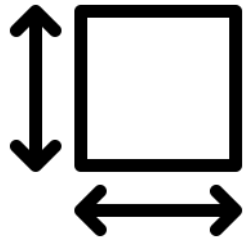

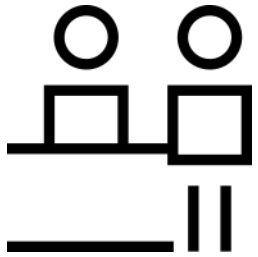

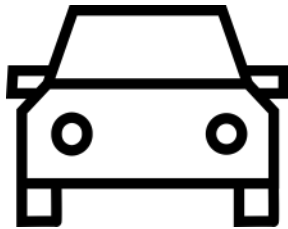

Key facts

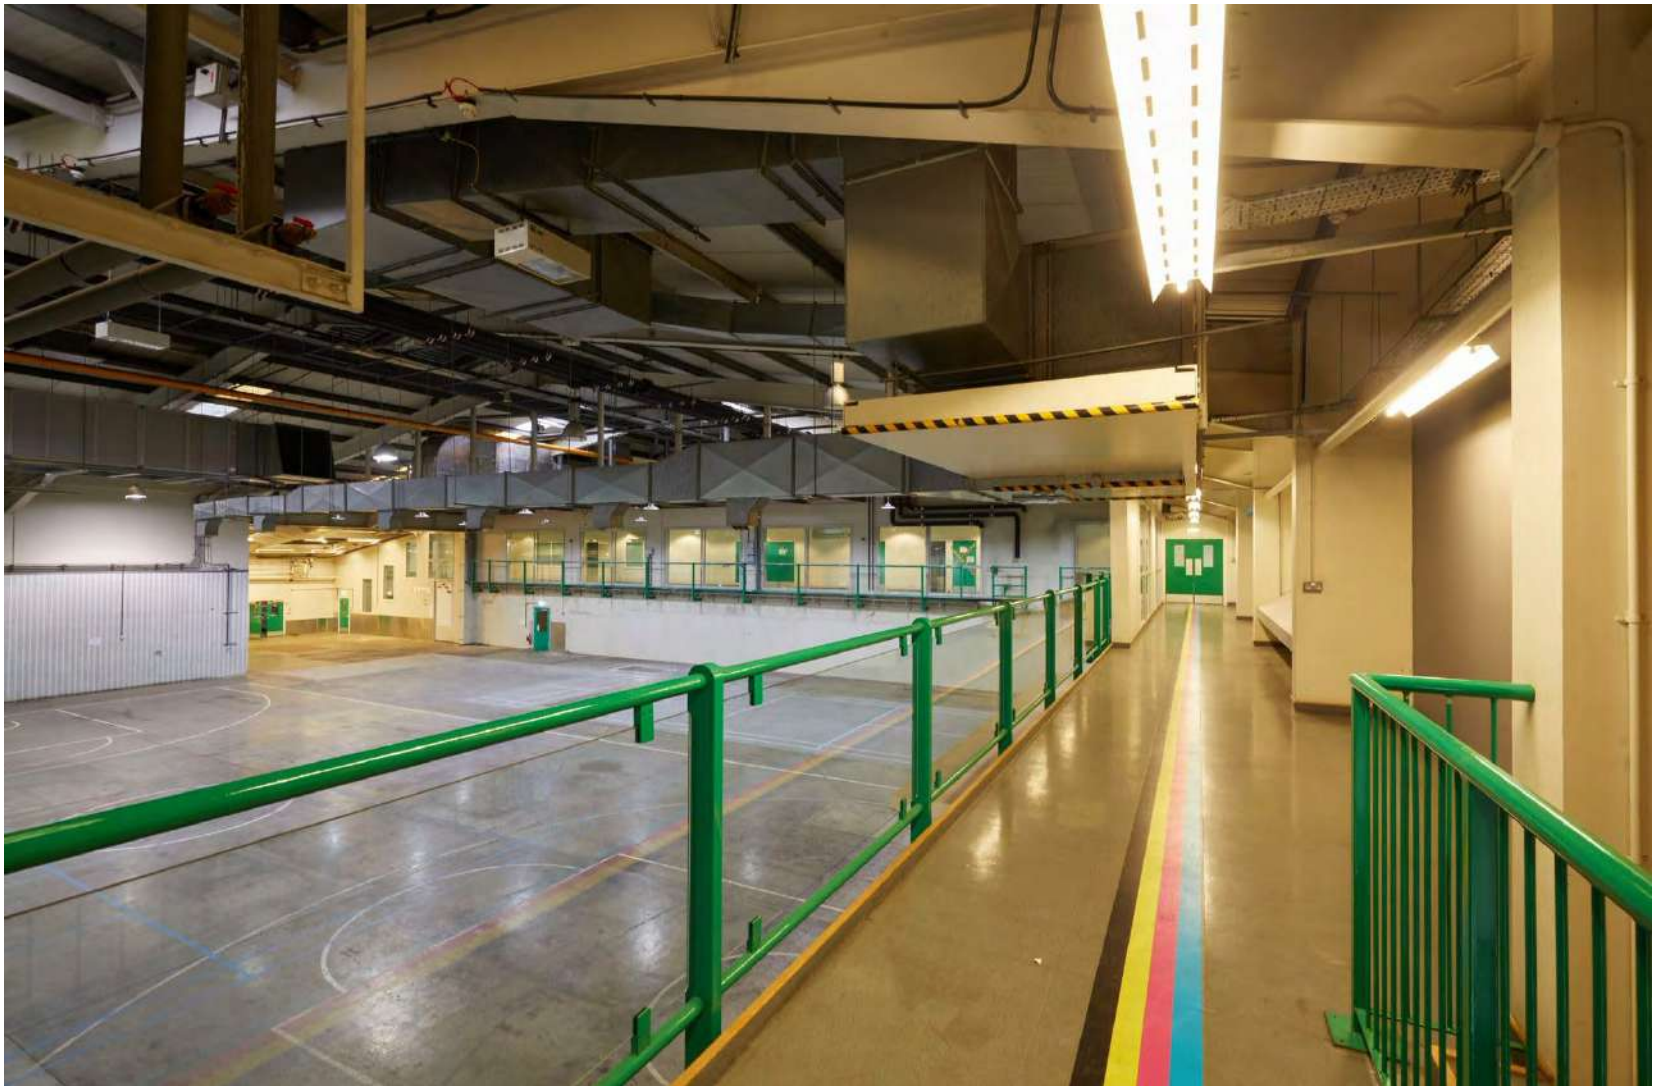

Flex to your needs

The site offers range of studio spaces, which can be used on productions big and small. With office space available too meaning end to end productions can be easily managed in one location.

The units can be supplied with a custom fit-out bespoke to your requirements, or you can build it yourself. Whatever suits you!
