

Purpose

Referral Terms and Conditions

The Referral Scheme is subject to standard Terms and Conditions, or change, without notice.

Referrals must be made using the official referrals form found on this site, and that referral must generate the enquiry.

Referrals cannot be made retrospectively. Submission of a referral indicates acceptance of the Terms and Conditions.

Referrals must be for new UK office contracts only, and is subject to minimum contract duration of 12 months.

The Referral Scheme is applicable to referrals made for the sales of offices, and does not apply to meeting room referrals.

The referral you make cannot be for a sister company or a colleague working for the same company.

To qualify for rewards, the referral must result in the receipt of signed Terms and Conditions in the form of our UK agreements for the respective product, as well as cleared funds for the first month payments.

In the event of multiple clients and/or agents/brokers referring the same contact/company, we shall accept only the first referral received.

Rewards are not paid on any renewals made after the first agreement.

The reward is as stated, and is not redeemable for cash. Reward voucher must be available in the UK.

We cannot provide any details or contracts signed on account of confidentiality obligations to all new clients.

Our employees and their immediate families are not eligible to take part in this scheme.

Entrants must be aged 18 or over.

Payment will still be made to the referrer on receipt of an invoice if they cease to be a client.

We will receive external referrals from third parties (non-clients) only if the terms and conditions are met and the referral is made via the referral website.
